1. BIT CHARACTERS:

TRY EACH OF THESE CHARACTERS THE BEST YOU CAN. IT'S OK TO ALTER THE SCRIPT TO SUIT YOUR PERSONALITY. UNLESS OTHERWISE STATED ALL CHARACTERS WILL BE NON-GENDERED. WE ARE LOOKING FOR PERSONALITY AND TONE OF VOICE VS SCRIPT ACCURACY. (SOME OF THE BEST VOICE ACTORS WE HAVE WORKED WITH ALTER THE SCRIPT OFTEN)

SHIP COMMANDER

"Helm turn about 40 degrees at half power"

STREET THUG

"Give me your wallet! Before I skrup you up"

DRUNK AT BAR

(Slightly slurred voice)

"Hey barkeep!!! Give me your best bottle of War-median whiskey?"

BARTENDER

"Sorry we do not have any war-median whiskey. You know that is illegal right?"

DRUNK AT BAR

"Awww come-on give a girl/guy a break"

ROBOT

Stop human.. I find your illogical behavior to be offensive. Do not talk to my unicorn that way!

ALIEN ADVISOR

"Capitan I do not recommend entering the asteroid belt due to the amount of Space pirates in the area"

2. SHORT STORY READING:

As the astronaut floated in the emptiness of space, he couldn't help but feel a sense of awe and wonder. The stars shimmered like diamonds against the dark canvas of the universe, and the Earth glowed like a blue-green oasis in the distance. For a moment, he forgot the mission and the danger that awaited him. It was as if he had left behind the chaos of the world and had entered a peaceful realm where time stood still. But as he gazed out into the infinite expanse, he knew that he had a job to do. With a sense of purpose, he pressed forward, ready to explore the unknown depths of the cosmos.

3. FREE FORM CHARACTER VOICES (OPTIONAL)

If you have some kind of crazy character voice you would like to highlight. Give some examples.

4. RPG CAST TRYOUT (OPTIONAL)

The RPG cast tryouts will prioritize creativity and personality over proficiency in playing RPGs. (**Critical Failures make a better story**) Prospective cast members will be evaluated based on their ability to create interesting character concepts, stay in character, and interact with the other members of the cast.

The chosen cast members should be able to create unique and engaging characters that capture the audience's attention. They should also be able to consistently portray their assigned roles throughout the game and work well with others to create a cohesive and entertaining narrative.
